

# It's the OLA School YEARBOOK!

October 17, 2011

Dear Parents, Students, and Friends:

The OLA yearbook committee is now accepting orders for the 2011-12 School Yearbook. This year's book will be about 84 pages in length, will feature pictures of all our students from preschool through 7th grade, and contain a section devoted to our 8<sup>th</sup> grade "Class of 2012." There will also be photos of intramural sports, Catholic Schools Week, holiday events, JYG, clubs, and much more! Every class in the school is represented, and the book makes a great keepsake for years to come!

If you'd like to order a book, send in the form below with your advance payment by Friday, October 28th. We will work hard to make an awesome book, and the finished product will be sent home with your child when it comes back from the printer's in June.

To ensure that a yearbook is ordered for your family, please fill out the slip below and return it to Mr. Mistretta or the school office by **October 28th**.

Sincerely,

Jessica, Marina, Victoria, Abby, and Rachel! (Yearbook Committee—8th graders all)
