

IT'S YEARBOOK TIME!!!!

October 13, 2010

Dear Parents, Students, and Friends:

The OLA yearbook committee is now accepting orders for the 2010-2011 School Yearbook. The yearbook will be about 80 pages in length, will feature pictures of all our students from preschool through 7th grade, and contain a section devoted to our 8th grade "Class of 2011." There will also be photos of intramural sports, Catholic Schools Week, holiday events, JYG, clubs, and much more! Every class in the school is represented, and the book makes a great keepsake for years to come!

If you'd like to order a book, send in the form below with your advance payment by Friday, October 29th. We will work hard to produce the best book ever, and the finished product will be sent home with your child when it comes back from the printer's in June.

To ensure that a yearbook is ordered for your family, please fill out the slip below and return it to Mr. Mistretta or the school office by **October 29th**.

Sincerely,

Julia Ford and Colleen Kirby, Student Editors
