

# 2009 OLA YEARBOOK TIME!

October 1, 2008

Dear Parents, Students, and Friends:

Our OLA yearbook committee is now accepting orders for the 2008-09 School Yearbook.. This year's book will be about 80 pages in length, will feature pictures of all our students from preschool through 7th grade, and contain a section devoted to our 8<sup>th</sup> grade "Class of 2009." There will also be photos of intramural sports, Catholic Schools Week, holiday events, JYG, clubs, and much more! Every class in the school is represented, and the book makes a great keepsake for years to come!

If you'd like to order a book, send in the form below by Friday, October 24th. We will send a bill for payment for your yearbook in January, and the book will be sent home with your child when it comes back from the printer's in June.

To ensure that a yearbook is ordered for your family, please fill out the slip below and return it to Mr. Mistretta or the school office by **October 24th**.

Sincerely,

Mei Li Dzindolet and David Ford.- yearbook editors
