

### **Crochet/Knitting Ministry Club**

Mrs. Plante is inviting students in Grades 6,7, and 8 to participate in a special Ministry after school in which students learn to either knit or crochet blankets , hats, hair bands, and pillows for children who are battling cancer at UMass Hospital. This after school club will begin on Thursday, October 13th. It will run from 2:30-3:30. We welcome grandparents (who will need to be Cori'd) who would like to donate their time on these Thursday's to help the students in their efforts to learn how to knit and or crochet. We will be doing this every Thursday (provided the weather is good) all year. We will then bring our finished products to UMass Memorial Hospital. The permission slip is attached to this email.

### **What's Going On Here?**

Kindergarten is learning about the Story of Creation. They are creating their own Creation story books!

### **Uniform Reminder**

We have been noticing students wearing black sneakers to school. Our uniform policy requires students to wear shoes. Sneakers are acceptable on gym days only.

### **All Around Worcester Coupon Book Sale**

Our 8th Grade class is currently sponsoring the All Around Worcester coupon book sale. Each family was given one book to preview. If you are interested in purchasing the book, please send a \$25.00 check made payable to Our Lady of the Angels School. You can purchase additional books by sending your order with payment. Your additional books (great gifts!!) will be sent home with your student. If you do not care to keep the book, please return it so that it can be sold. The class of 2017 thanks you, in advance, supporting their efforts!

### **Grandparents' Day Program**

Our students will put on a special program in the church for their grandparents on Friday, September 30th, at 1:00 p.m. On behalf of our school community, please invite your child's grandparents to save the date and join us if they are available! Our theme this year is music from the 60's/70's so if you are inclined to do so, you can send your child to school on this day dressed

in tie-dye, bell bottoms, bandannas, etc... (This is NOT mandatory - just fun if you'd like to...) *Please remember to allow your child's grandparent to enjoy this special day - there just simply isn't enough room for parents, too. If your child does not have a grandparent don't worry - there won't be a time that he or she will feel unloved!!*

### **Dismissal Reminder**

Beginning Monday, September 26th we will move ahead with our new car line dismissal procedure. ALL students should have the backpack tag attached to their bags with the zip tag that was sent home. (Even those who attend ASP or take the school bus, your child may some day need to be picked up in the car line...) Students will not be dismissed to cars without a matching visor tag.

In advance - thank you for your patience. This will take some practice but we all know that the more we do it, the better we'll become at it!!

### **Ski Club**

Mr. Portev would be interested in bringing Ski Club (Wachusett Mountain) back to OLA School. In order to do this we must have a minimum of 20 students participate. Students must be in grades 3-8 to be eligible. If your child would most definitely participate in the program, please let us know by emailing Mrs. Albert at [doreen.albert@worcesterdiocesek12.org](mailto:doreen.albert@worcesterdiocesek12.org). We would also need parent volunteers to help coordinate the program.
