Classroom News and Information

This newsletter is a great way to get information about the larger, whole school events that are happening but did you know that your child's teacher has a classroom specific page that will give you the low down on what's happening in their classes? The themes, the needs, the homework assignments (in some cases), it can all be found on our school's website, ourladyoftheangels.us, by clicking the "student" tab, then click your child's grade, then click the link at the top of that page. These classroom pages are meant to share grade specific things. Please make it a habit to check them regularly!

Reminder:

Sixth and Seventh grade parents will meet in the school hall tonight at 5:30 p.m. to find out more about our upcoming Nature's Classroom trip!

Take a Peak Inside:

The Kindergarten students learned about Noah and his Ark today!
