

Before School Program

Effective immediately, the Before School Program will open at 7:00 a.m. on days that school is delayed for weather for a cost of \$5.00 per hour. Please note: when school is delayed, students can not be dropped off until 9:35 a.m. Students who arrive earlier have no supervision, and their safety is our number one concern. Any students dropped off earlier will be sent to the before school program where there will be adult supervision and you will be charged accordingly.
